

GARY CARD

2024

Gary Card is a Bournemouth born artist, set designer and illustrator based in London. Known in the world of fashion and music for his arresting visuals that have attracted the likes of Louis Vuitton, Lady Gaga, Frank Ocean and more, Card's work is known for his mischievous playfulness, rich world building and uninhibited expression of colour.

His works have also been featured in The New York Times, Vogue, Dazed & Confused, and W magazine, and his extensive client list includes Louis Vuitton, Dior, Balenciaga, Chanel, Comme Des Garcons, Gucci, Nike and many more.

Card's whimsical wonderlands have been featured internationally with recent works at Nanzuka Underground, Tokyo at Art Basel and Tokyo Gendai, Aishonanzuka Tokyo, London as well as Dover Street Market, London and Mima, Brussels. He is presenting his first major international solo show "People Mountain People Sea" at Oi! Gallery, Oil Street Art Space, Hong Kong as part of the gallery's "Oi! Spotlight" 2024 programme taking place from Wednesday 20th March 2024 to Sunday 28th July 2024.
